HONORABLE JAMES D. PETERSON  
Chief United States District Court Judge

AFFIDAVIT

STATE OF WISCONSIN     )  
  ) ss.  
DANE COUNTY             )

I, Mark Meyers, having been duly sworn, depose and state as follows:

1.     I have worked as a special agent with the Federal Bureau of Investigation (FBI) since 2014. From 2015-2020 I was assigned to investigate violent crimes near Bemidji, Minnesota on the Red Lake Indian Reservation. I have training and experience investigating violent crimes. For example, I have authored numerous criminal complaints and search warrants related to violent crimes and have participated in their execution. I have attended numerous trainings related to the investigation of violent crimes. Prior to working for the FBI, I worked for the Sparta Police Department from 2007-2014.

2.     The facts in this affidavit come from my training and experience, as well as my participation in the investigation including from reports prepared by and obtained from Army personnel working at Fort McCoy, and other federal law enforcement agents and officers, all of whom I believe to be truthful and reliable.

3.     This affidavit does not contain every fact I know about this investigation, but is merely intended to show probable cause to believe that Bahrullah Noori committed a violations of Title 18, United States Code, Section 2241(c) (Attempted Aggravated Sexual Abuse and Aggravated Sexual Abuse).

4.     Title 18, United States Code, Section 2241 states: "(c) Whoever . . . in the special maritime and territorial jurisdiction of the United States . . . knowingly engages

in a sexual act with another person who has not attained the age of 12 years, or knowingly engages in a sexual act under the circumstances described in subsections (a) and (b) with another person who has attained the age of 12 years but has not attained the age of 16 years (and is at least 4 years younger than the person who engaging), or attempts to do so . . . .”

5. Fort McCoy is a United States Army base located in the Western District of Wisconsin and is under the territorial jurisdiction of the United States. Title 18 United States Code, Section 7(3); Wis. Stat. 1.02(2).

### **Background**

6. Since the end of August 2021, approximately 13,000 refugees from Afghanistan have been resettled onto Fort McCoy. They are still currently living there in various buildings as of the date of this affidavit.

### **Probable Cause for Attempted Sexual Abuse of a Minor**

7. On September 11, 2021, Army soldiers responded for a report of a sexual assault among the Afghan refugees at Fort McCoy. The soldiers contacted a man named [REDACTED] who is related to Victim-1 ([REDACTED]'s 14-year-old nephew) and Victim-2 ([REDACTED]'s 12-year-old son).<sup>1</sup> Through an interpreter, [REDACTED] stated that Bahrullah Noori (who is twenty years old) was molesting his son and nephew. [REDACTED] stated that he went to the bathroom and saw Noori taking the clothes off of Victim-1 and was trying to have sex with him. [REDACTED] later went to the bathroom and observed Noori

<sup>1</sup> Victim-1's documents shows that he is 14-years-old, however, he told interviewers that he was 12. Victim-2's documents show that he is 12, but he told interviewers that he was 11.

kissing Victim-2. Victim-1 and Victim-2 said that Noori has been doing this kind of thing for the last couple of weeks. The victims said that Noori told them that if they told █████, Noori would beat them.

8. On the same day, █████ and an interpreter worked together to produce a written statement about the incident. It states that 1:30 a.m. the night before, █████ heard his nephew crying in the restroom and saw him [Noori] bend his [Victim-1] hand to his back trying to have sex with Victim-1. Victim-1 told █████ that every night he [Noori] asks him to come sleep with him especially when █████ is not around. According to the statement, █████ caught Noori kissing Victim-2 this evening (September 11, 2021). The statement indicates that Noori has been abusing Victim-1 and Victim-2 for the last 15 days, and both kids told █████ that Noori asks them to sleep with him every night.

9. I am not aware of any information that would undermine █████'s credibility as a witness in this case. Further, I am not aware of any feud or dispute between █████ and Noori prior to this complaint.

10. On September 12, 2021, federal law enforcement interviewed Victim-1 about the allegations of sexual abuse. Through an interpreter, Victim-1 stated that there were two instances of sexual abuse involving Noori. Victim-1 stated that he went to bed on the evening of September 10, 2021 and woke up to go to the bathroom. While he was in the bathroom, Noori grabbed his arm and restrained him. Noori then pulled up Victim-1's Afghan-style clothing and touched Victim-1's stomach, back, and shoulders under the clothing. Victim-1 began to cry, tried to pull Noori's hands away, and told

Noori to leave him alone and that Noori was a pervert. Noori told Victim-1 "give me your ass" (which, according to the translator, literally means "let me fuck you"). Noori threatened that he would beat Victim-1 if Victim-1 told his uncle. At that point, [REDACTED] walked into the bathroom, Noori stopped, and Victim-1 went back to bed.

11. Victim-1 was unsure of the exact date of the earlier incident. In the earlier incident, Noori kept waking him up and then telling him to go back to bed. Noori then went into Victim-1's cot. Noori rubbed Victim-1's stomach and back. Noori kissed Victim-1 and slowly bit his cheek.

12. On September 12, 2021, federal law enforcement interviewed Victim-2 about the allegations of sexual abuse. Victim-2 had difficulty identifying the dates and order of each incident, but knew that Noori abused him twice in the bathroom and once on Noori's cot. He thought the first incident was 10 nights prior, so approximately September 2, 2021. He clarified that he believed the first incident occurred on a cot, the second occurred in the bathroom at night, and the third occurred in the bathroom during the day.

13. As to the cot incident, Victim-2 stated that Noori used his hand and touched Victim-2's buttocks, penis, and "everywhere" under his clothes.

14. In restroom incident at night, Victim-2 was in the bathroom to retrieve his brother's boots. Noori held Victim-2 and twisted his hand and told him "give me your ass or I'll beat you." Victim-2 started crying and moving away. Noori blocked his hands and told him "Give me the teeth, give me a kiss." Noori bit Victim-2 on the left cheek and he felt pain and thought he was almost bruised. Case agents observed slight

discoloration to Victim-2's left facial cheek. Noori used his hand to touch Victim-2 under his Afghan-style clothes. Noori touched Victim-2's "heart, ass, and balls." Victim-2 demonstrated rubbing his hand over the areas of his own body where he was touched. Noori told Victim-2 to "touch my dick" and forced Victim-2 to touch it by pulling Victim-2's hand. Victim-2 clarified that while Noori was making him touch Noori's penis, Noori said "Quick, do it faster."

15. While being touched on the buttocks, Victim-2 felt Noori touch in the middle in between where "we empty ourself." Victim-2 said he felt it on the "hole."

16. In another incident in the bathroom, Noori touched the same places on Victim-2's body, but Victim-2 ran away.

Dated this 13th day of September 2021.
